(Write legend number of multiple completion on Well Completion or Recompletion Report and Log Sheet.)

13. Describe Proposed or Completed Operations (Clearly state all pertinent details, and give pertinent dates, including estimate date of starting any proposed work. If well is directionally drilled, give subsurface locations and measured and true vertical depths for all markers and zones pertinent to this work.)

Chevron submits for your approval the the current site security diagram for the subject well. The two rental compressors (Ajax DPC 300 and Ajax DPC 360) have been removed and a new Ajax Model 2803 has been installed. The new compressor is also leased form Tidewater and is not permanently installed. The unit was installed on the existing caliche well pad and additional surface disturbance did not occur.

14. I hereby certify that the foregoing is true and correct.

Signed

Reggie Holzer
