Re: Bright Federal Gas Com No. 1
G, 21-21-23, Indian Basin -
Upper Pennsylvanian Gas Pool

Gentlemen:

You will note, upon receipt of the approved Form C-104 for the subject well, that we have added the words "Gas Com" to the lease name. This change was made in compliance with item 2 (F) of Commission Memo 2-65. Further, as the acreage dedicated to the subject well has been communitized, please file Commission Form C-102, "Well Location and Acreage Dedication Plat" outlining the communitized leases and identifying each as to working interest and royalty ownership as required. Show Indian Basin-Upper Penn. as the pool name. The form need not be signed by a land surveyor.

Very truly yours,

OIL CONSERVATION COMMISSION
