Re: Form 9-331

Gentlemen:

On January 18, 1983 Barber Oil, Inc. submitted the above captioned Form for several wells on our Russell lease LC-050797. We had asked to convert several injection wells to production. We have since discovered that four of the wells we had previously submitted for approval to convert are injection wells we wish to remain injection wells. With this letter we request that the following wells remain as injection wells :

<u>Lease</u>	<u>Well No.</u>	<u>Location</u>	<u>Unit Letter</u>	<u>Section</u>

" "	41	1310' FNL & 1310' FEL	A	13
" "	42	1330' FSL & 1330' FWL	K	13

Please accept our apologies for any inconvenience this action may cause.

Very truly yours,
