Gentlemen:

We are attaching 13 copies of Notice of Intention to Drill the William A. and Edward R. Hudson Federal "D" well #1, which is located within the State Potash area. These forms are accompanied by the Surveyor's plat and also a map showing the proposed well location in relation to the potash leases located within one mile according to the information that we have. In addition, we are sending a copy of this application and maps to Potash Company of America, U. S. Potash Company and Duval Potash Company by registered mail.

The drilling and completion program will be in accordance with Oil Conservation Commission Order #R-111-A.

Please advise if any additional information is needed.

Yours very truly,

Ralph L. Gray
REGISTERED PETROLEUM ENGINEER.
