Re: Sunray DX State No. 1,
NW NW 2-20-28

Dear Mr. Ford:

In reviewing our file on the above well, we find the last report filed to be Form C-102, "Notice of Intention to plug."

We have written two letters to Mr. Stephens the first one dated June 15, 1965, and the other one November 30, 1965, requesting that Form C-103 plugging report be filed. As of this date we have not received this report.

Please see what you can do about getting this report filed so that we may complete our file.

Very truly yours,

OIL CONSERVATION COMMISSION
