Morrow Gas Pool

Dear Mr. Fasken:

We are, herewith, sending you a copy of the Multi-Point Back Pressure Test Report for the subject well upon which we have noted certain corrections. As none of the corrections significantly affect the results of the test it will not be necessary to refile.

To date this office has not received the required one copy of all electrical and radio-activity logs run on the well.

Lastly, we are enclosing three (3) copies of Form C-123. Please complete and return two (2) copies of this form.

If you have any questions on these matters, do not hesitate to call upon me.

Very truly yours,

Oil Conservation Commission
