Re: Letter of January 27, 1966

Dear Mr. Henry:

Your letter of January 27, 1966, to Mr. Joe Ramey has been forwarded to me for reply. The reason that you had received no response to Form C-123 dated June 28, 1965, is that it was filed with the wrong district office. All information pertaining to wells in Chaves County, West of Range 30 East, and Eddy County should be filed with this office. The creation of the North Indian Hills - Morrow Gas Pool will be scheduled for hearing March 16, 1966.

If there are any questions concerning this matter, do not hesitate to call upon me.

Very truly yours,

OIL CONSERVATION COMMISSION
