Re: Bogle Flats Unit Gas Com
Well No. 6 G, 8-22-23,
Indian Basin-Upper Penn.
Gas Pool

Dear Mr. Davidson:

As the acreage dedicated to the subject well has been communitized, this office requires three copies of Form C-102 with the various leases and or units outlined and identified as to working interest and royalty ownership. The unit acreage need only show the unit agreement name.

Upon receipt of the approved Form C-104, you will note that the lease name has been changed to Bogle Flats Unit Gas Com. This change is made in compliance with item 2 (F), Memo 2-65, as attached to the July, 1965, oil proration schedule.

Very truly yours,

OIL CONSERVATION COMMISSION
