ARTESIA, OFFICE

Dear Sir:

Please refer to your letter of February 2, 1967, requesting a Form C-122 on the subject well. Confirming Mr. R. L. Stamets' and Mr. E. J. Snook's telephone conversation of February 6, 1967, Pan American proposes to stimulate the HOC Federal Gas COM No. 1 with approximately 33,000 gallons acid within the next 30 days to improve the productivity of the well. Pan American will submit a four-point back pressure test within 60 days following the proposed workover to the New Mexico Oil Conservation Commission. This is in accordance with the verbal approval obtained from Mr. R. L. Stamets and within the regulations set forth in Rule 401.

Yours very truly,

V. E. Staley
Area Superintendent
