Dear Sir:

Please refer to your correspondence of April 12, 1967, requesting a Form C-122 on the subject well. We have tried to run the multi-point back pressure test on April 20, 1967, and April 27, 1967, and on both occasions were unable to complete the test due to the Indian Hills Gas Plant shutting down. We are still aware of our obligation to submit Form C-122 and will do so when test conditions permit.

Yours very truly,

V. E. Staley
Area Superintendent
