Re: HOC Gas Com #1-F 13-22-23,
Indian Basin-Upper Pennsylvanian Gas Pool

Gentlemen:

Enclosed please find one copy of Form C-122, gas well test, for the subject well. This report is being returned for correction as follows:

1. Minor errors in Tr calculation are not plottable and need not be corrected.
2. Pc and Pc^2 must be somewhat greater than shown in order to arrive at the figure shown in the Pc^2 - Pw^2 column.
3. Changing Pc^2 will change the AOF.
4. Two copies of the corrected report should be submitted.

If there are any questions on this matter, do not hesitate to call upon me.

Very truly yours,
