Dear Sir:

Attached please find a copy of Gas Supplement No. AR 64 and a note requesting a test in accordance with Rule 401 to be reported by August 6, 1966. A multi-point test was taken on this well March 17, 1966, and was filed in your office March 28, 1966.

Please advise if another multi-point test is required, if so, what change should be made in the method or procedure of the test in order to comply with this request by the commission.

Yours very truly,
