Re: Hudson Federal #1-C  
Sec. 4-21-29, Golden  
Lane Strawn Pool

Gentlemen:

Your request for an exception to the Shut-in Pressure Test requirement of Commission Rule 402 for the subject well due to the high rate of water production is hereby approved.

However, if for any reason, the well is shut-in during the year the test is to be run and the results reported.

Sincerely yours,

W. A. Gressett  
Supervisor, District II
