Gentlemen:

Work is continuing on the completion of above captioned well from the Strawn formation at 10,586' - 10,600'. Will you please issue a test allowable supplement to cover 500 barrels on hand, and an additional 500 barrels for future testing to The Permian Corporation, P.O. Box 3119, Midland, Texas 79701.

Thank you.

Very truly yours,
