Midland, Texas

Attention: Floyd L. Meade

Re: Yates Federal #1-P,
32-20-29, Eddy County,
New Mexico

Dear Mr. Meade:

It is understood that the subject well is to be retested following a squeeze job. When a volume of condensate has been recovered, you may request a testing allowable to sell the condensate produced. The letter requesting the allowable should cite the circumstances of the retest.

Very truly yours,

Oil Conservation Commission
