Dear Sir:

We have your letter dated July 3, 1967, wherein you request cancellation of the above-captioned bond.

Our file indicates that the Report of Final Plugging for the subject well has not been approved by our district office. Please contact Mr. Bill Gressett, Oil Conservation Commission, Artesia, New Mexico regarding requirements that must be met prior to approval of the plugging report. The bond will be cancelled immediately upon approval of the plugging report.

Very truly yours,
