Gentlemen:

We hereby acknowledge receipt of a Notice of Gas Connection from Southern Gas Co. reporting a connection to the subject wells on June 1, 1976.

Said notice of connection shows a Master Meter to measure gas from both wells.

To date this office has not received a return to production report on well #1, or Form C-104, Request for Allowable on well #2.

Further, please advise as to the measurement of gas from each well prior to commingling.

If you have any questions concerning this matter, please feel free to call upon me.

Sincerely yours,

W. A. Gressett
Supervisor, District II
