Indian Hills No. 1

Dear Mr. Gressett:

The work outlined on United States Geological Survey Form 9-331 dated June 2, 1971 has not been performed. It is anticipated that this work will be completed in the next two or three weeks.

Therefore it is respectfully requested that you please extend the deadline for the results of a four-point test after pipeline connection to August 13, 1971.

Sincerely,

OIL REPORTS AND GAS SERVICES, INC.
