Sec. 13-20, 28

Gentlemen:

Enclosed are five copies of "Sundry Notices on Wells" (Form 9-331) on Wills #43 whereby we set a packer on plastic lined tubing. A prior notice has been submitted on Wills #34.

Having set both of these packers we should now be in compliance with your downhole injection requirements under your letter of September 18, 1981.

Very truly yours,
