ARTESIA, OFFICE

<sup>1</sup> See also the discussion of the relationship between the two in the section on "Theoretical Implications."

Pursuant to the authority vested in the Secretary of the Interior under section 17 (c) of the Mineral Leasing Act of 1920, as amended (74 Stat. 764; 43 U.S.C. 133 (c)), and delegated to the Regional Oil and Gas Supervisor of the Geological Survey by Order approved June 14, 1962  
(74 FR 3622), it is hereby

2. Subject to the above clause concerning location, agreements covering  
the drilling of the wells to be drilled at Section 25 East, N.M.P.M.,  
and the production of oil to carry the oil associated liquid  
hydrocarbons produced from the Mancos formation.
  3. It is agreed that individual leases or leases as to the lands  
described in the attached exhibits cannot be independently  
developed and operated in conformity with the well spacing  
program established for the said area in which said lands  
are located, and that cancellation and approval of the agree-  
ments will be in the public's interest.
  4. Finally and especially, that the drilling, producing, rental,  
mining, royalties and other business of the Federal  
lands of the herein mentioned oil and gas agreements are hereby  
entirely severed, changed or varied to conform with  
the laws and regulations of the state.
