County, New Mexico

Gentlemen:

Commission Form C-104, Request for Allowable and Authorization to Transport Oil and Natural Gas for the subject well was approved with the stipulation that casinghead gas must not be flared after May 31, 1971, unless an exception to Order R-4070 is obtained. However, to date this office has not received a request for an exception to said order nor have we received a Form C-104 designating the Gas Transporter. Please advise.

Very truly yours,

OIL CONSERVATION COMMISSION
