Dear Mr. Gressett:

This letter is to inform you that the City of Carlsbad has no objection to the following proposed location of Grace Oil Company Well in Section 25, Township 22 South, Range 26 East, N.M.P.M.:

A well site lying 1980' from the
North line and 1980' from the East
line of said Section.

I am informed that that location will not interfere with the operations of the Cavern City Air Terminal. As long as the well is drilled at the above location, the City of Carlsbad has no objection to drilling permits being issued.

Very truly yours,

Michael F. McCormick
