Re: Helbing Federal #1-D,
Section 22-22S-23E,
Eddy County, New Mexico

Gentlemen:

We hereby acknowledge receipt of the completion reports on the subject well.

However, the allowable will not be assigned until such time as we receive a Notice of Gas Connection from the transporter. Further, I notice you have shown Natural Gas Pipeline as transporter, if the gas goes to the Marathon Plant they should be shown as the transporter.

Very truly yours,

OIL CONSERVATION COMMISSION
