Re: Helbing-Federal Well #1
Indian Basin Upper Penn Field
Eddy County, New Mexico

Dear Mr. Gressett:

Thank you for your letter of December 3, 1971 explaining the transporter designation for our Form C-104 on the captioned well. Attached for your review and processing are five copies of this form to correct the transporter to Marathon Oil Company, since this gas is to be processed in the Marathon Plant prior to ultimate sale of the residue to Natural Gas Pipeline Corp. If any additional information is required on this well, please advise.

Yours very truly,

TEXAS OIL & GAS CORP.

George Sutphen
District Engineer
