Gentlemen:

This is to advise that on February 24, 1981 the El Paso Natural Gas Company's Rocky Arroyo B #1 gas well located in Unit C of Section 17, Township 22-S, Range 22-E, Eddy County, New Mexico was disconnected from El Paso Natural Gas Company's gathering system. This meter is blind plated and will remain on location temporarily, but inoperative, until permanent status of the measuring arrangement is determined.

This disconnection was due to well being plugged and abandoned.

Yours truly,
