#3 Catclaw Draw Unit Well
Section 36, T-21-S, R-25-E
Catclaw Draw Morrow Field
Eddy County, New Mexico

Dear Sir:

In regard to the above captioned well and exception to a standard location for topographic reasons (as per our letter of 5/3/72 and our telephone conversation of 5/4/72), enclosed are letters of consent from the offsetting leasehold owners. As you know, we have received approval to our Application for Permit to Drill subject to "no allowable will be assigned until the NSL has been approved". We assume that the enclosed consents are in order and that the request dated April 21, 1972, will now be approved.

If we need to do anything further in regard to this matter, please let us know.

Very truly yours,

HANAGAN PETROLEUM CORPORATION
