Dear Mr. Cotner:

In reply to your letter of April 25, 1973, concerning the approval of Form C-104 on the subject well.

Said Form C-104 Request for Allowable and Authorization to Transport Oil and Natural Gas was received in this office on March 21, 1973. However, we do not approve a Request for Allowable for a Gas Well until such time as you have a gas transporter and we have received a notice of connection from same.

Sincerely yours,

W. A. Gressett
