Re: Burton Flat Unit No. 3
Section 3, T-21-S, R-27-E
Eddy County, New Mexico

Gentlemen:

Monsanto Company respectfully submits the following Development Plan for drilling the above captioned well.

Development Plans include the following:

- (1) Existing roads: See attachment
- (2) Planned access roads: See attachment
- (3) Location of Well:
700' FSL & 1980' FWL Section 3
T-21-S, R-27-E
- (4) Lateral Road: See Attachment
- (5) Location of tank battery:

If the well is gas productive, a heater and three phase separator will be installed on the southwest corner of the pad with two 200 bbl. collection tanks for water and condensate respectively. Location of pipeline is unknown at this time.

- (6) Location and type of water supply:

Water will be purchased as near as possible and trucked to location.
