RE: Midwest Oil Corporation
Federal "L" #1
Eddy County, New Mexico

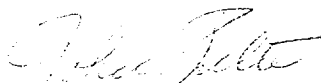

Gentlemen:

Please be advised that Midwest Oil Corporation has staked a location and will drill a well located 1980' FSL and 1980' FWL, Sec. 34, T-22-S, R-26-E, Eddy County, New Mexico in the immediate future; see attached plats.

In a title opinion dated March 27, 1972, covering the S/2 NW/4 of Sec. 34 it states that Eddy County has a surface lease on the SE/4 of NW/4 of Sec. 34 for purposes of garbage disposal. Same should not pose a problem for Midwest or Eddy County as the Federal "L" #1 drilling site is located in the NE/4 of SW/4 of Sec. 34.

Please return one signed copy of this letter if there are no objections to the drilling site as staked.

Yours very truly,

John Pulte
District Production Mgr.
