Upon receipt of your letter of June 12, 1975 we complied by filing a form C-104 changing transporters with respect to the percentage of gas to be taken by each transporter.

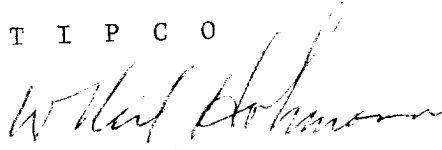

We have been advised this date by El Paso Natural Gas, Mr. Bob Venable, that an Exchange Agreement exists on this well between Natural Gas Pipeline Company of America and El Paso Natural Gas Company. You may wish to inquire about this arrangement with these parties.

We feel that after your conversation with the above parties, a change in the original form C-104 will not be necessary and the recently forwarded C-104 can be voided.

Please advise of any further requirements.

Very truly yours,

T I P C O
