Sec. 10-21-27-K Eddy Co.NM.

Dear Mr. Keeley;

For your convenience I have enclosed a copy of my letter dated October 3,1996 in regard to the above captioned shut in wells. To date we have had no response from Unit Petroleum concerneing this problem.

Please forward to the Oil Conservation Division office in Artesia by January 2,1998 a plan to bring these wells into compliance with rule 201. Failure to respond to this request will result in us asking our legal department in Santa Fe to schedule a hearing so you may appear and show cause why these wells should not be plugged.

Yours truly,

Tim Gum
