Re: JCW State Com. Well #2
Eddy County, New Mexico

Dear Mr. Gressett,

Hillin Production Company requests an exception to the filing of form C-122 - Multipoint & one point back pressure test on this well since the volumes are so low as to be of no relative value. A compressor is being installed to put gas in the line.

Thank you for your consideration in this matter.

Yours very truly,
Hillin Production Company
