Gentlemen:

We are returning the enclosed Form C-104 on the subject well for additional information. Please complete by filling in the Test Data and Request for Allowable, and since it was completed as an oil well only 40 acres can be dedicated thereto.

Please submit Form C-103 showing the bridge plugs and cement used to plug back to 10330', and Form C-102 dedicating 40 acres.

Further, Form C-105 shows gas vented and Form C-104 shows connected to El Paso, please clarify this.

If you have any questions concerning this matter, please feel free to call upon me.

Sincerely yours,
