Eddy County, New Mexico

Gentlemen:

Attached for your approval are five copies of Form C-104 on the above referenced well. Also, as requested, attached is one copy of U.S.G.S. Form 9-330. The well location and acreage dedication plat was filed with Form 9-331 Application to Plug Back.

Please note that this well has been completed as a single zone Strawn gas well. Originally the plans had been for a dual Morrow-Strawn producer.

If there are any questions, please advise.

Sincerely,

Tom Myers
