

RECEIVED

1 Memo

APR 24 1975

From

D. S. NUTTER

CHIEF ENGINEER

O. C. C.

ARTESIA OFFICE

To Bill Gressett

Jaskeu is going to
file an appl for hrg
to commingled ^{conjoint} Strawn &
Morrow prod in his EP#2
in 2-21-26 which you now
have shut in.

Go ahead and approve
the C-104 for commingled
production pending the
hrq. It looks like this
may be depleted before
the hrg anyway.
Dan
