Gentlemen:

We hereby acknowledge receipt of the completion reports on the subject well.

However, to date, we have not received Form C-102 Acreage Dedication Plat (160 acres) for the Wolfcamp Zone or the deviation tests.

Further, the Non Standard Location must be approved by Santa Fe prior to placing the well on production.

If you have any questions concerning this matter, please feel free to call upon me.

Sincerely yours,

OIL CONSERVATION COMMISSION
