Dear Sir:

We would appreciate administrative approval of a non-standard location on our Rocky Arroyo #E-1 located in the Northeast quarter of Section 7, T-22-S, R-22-E, Eddy County, New Mexico.

This well was drilled as a Morrow test, but was plugged back and completed in the Wolfcamp, so it therefore falls under Rule 104-F.

We would appreciate your approval on this.

Sincerely,

*C. D. Kysar*
