Carlsbad, New Mexico 88220

Gentlemen:

Texas International Petroleum Corporation is desirous of drilling a 12,700' well to test the Morrow Sands 1980' from the North line and 760' from the East line of Section 31, T20S-R30E, Eddy County, new Mexico. We hereby request a waiver from you to commence this proposed well.

As in our Hudson-Federal Comm. #1 located in Section 29, T20S-R30E, all casing and cementing provisions as stated in the NMCCC Order No. R-111-A will be rigidly followed.

Yours truly,

*Kenneth C. Nelson*
