13. Describe Proposed or Completed Operations (Clearly state all pertinent details, and give pertinent dates including estimated date of starting any proposed work. If well is directionally drilled, give subsurface locations and measured and true vertical depths for all markers and zones pertinent to this work.)\*

Bass Enterprises Production Company respectfully requests approval to extend temporarily abandonment status on the referenced well. Currently we are evaluating a cheaper means of water disposal in the area. Due to the large amount of water that the well produces, it is impossible to produce at a profitable rate.
