Re: Inexco Federal "17" No.1
Section 17-21S-26E
Eddy County, New Mexico

Dear Sir:

Souther Union Gas Company's filing of the Notice of Gas Connection for the well in the name of Gulf Oil Corporation was in error.

Inexco drilled the referenced well but elected not to join in its completion. Gulf Oil Corporation completed and equipped the well for production. Inexco regained operations at the time the well was ready to commence sales. Throughout the drilling and completion Inexco has filed all forms with the USGS and no operator change has or will be made.

NMOCC Form C-104 has been filed in the name of Inexco as operator.

Sincerely,

INEXCO OIL COMPANY

Terry W. Ellstrom
