Gentlemen:

According to our files, the last form submitted on the above listed well, was an intent to convert to a water supply well, in 1974, to be used in the drilling of the Elizondo A Federal #2Y-K-21-21-27.

Please file Form C-103 to show the status of the well up to this date.

Very truly yours,

A handwritten signature in cursive script, reading "Leslie A. Clements".
