Artesia, NM 88210

Gentlemen:

This is to advise that on October 28, 1982 the Champlin Oil Company's State 36 #1 Morrow gas well located in Unit L of Section 36, Township 21S, Range 27E, Eddy County, New Mexico was disconnected from El Paso Natural Gas Co.'s gathering system. This meter is blind plated and will remain on location temporarily, but inoperative, until permanent status of the measuring arrangement is determined.

This disconnection was due to inability of the well to produce into El Paso's South Carlsbad gathering system. (Meter #61-534-01, Site Code #20334-01)

Yours truly,

PERMIAN DIVISION DISPATCHING DEPARTMENT
