17. Describe Proposed or Completed Operations (Clearly state all pertinent details, and give pertinent dates, including estimated date of starting any proposed work) SEE RULE 1103.

Due to the unavailability of a large rig at this time we plan on moving a smaller rotary rig to this location and drill a 6 3/4" hole to the Delaware formation which is approximately 4100'. At that depth we will log and then move a large rotary rig on and ream this hole and set pipe as originally filed for.

18. I hereby certify that the information above is true and complete to the best of my knowledge and belief.
