17. Describe Proposed or Completed Operations (Clearly state all pertinent details, and give pertinent dates, including estimated date of starting any proposed work) SEE RULE 1103.

Plan to abandon this well as a gas well and convert to a fresh water well. A cement plug will be set above the salt section with 50 sacks Class "C" cement with CalCH. and another plug will be set below the surface casing with 50 sacks Class "C". The water section is between 195-235'.

18. I hereby certify that the information above is true and complete to the best of my knowledge and belief.
