Re: Application for Permit to Drill
Government T No. 2, Eddy Co.,
New Mexico

Gentlemen:

On July 29, 1974, Cities Service Oil Company filed with your office an Application to Drill its Government T #2, located 1980' FEL and 660' FNL of Section 15-20S-28E, Eddy County, New Mexico (originally, this well was filed as Government AB No. 1). We now wish to change the location of this well to 1980' FEL and 1980' FNL of Section 15, which locates this well 1320' south of the original proposed drilling site, and respectfully request your permission to drill this well at this location.

In support of this application, the following data is submitted:

1. Form 9-331C, Application for Permit to Drill
2. Form C-102, Well Location and Acreage Dedication Plat
3. Designation of Operator
4. Development plan as follows:
 - a. County road map showing existing roads, proposed access road (in red) and location of proposed drilling site in relation to the surrounding area
 - b. Plat of location layout showing approximate dimensions and position of the rig, mud pits, reserve pit, etc.
 - c. Diagram of blowout preventer stack
 - d. Diagram showing hookup of BOP's, choke manifold and mud/gas separator
 - e. Diagram of casing program, hole size and estimated formation tops
 - f. Summary of mud program
