Gentlemen:

This is to advise that on September 10, 1980 the Cities Service Oil Co.'s Government "AC" #1 Wolfcamp gas well located in Unit N of Section 15, Township 20, Range 28, Eddy County, New Mexico was disconnected from El Paso Natural Gas Co.'s gathering system and meter blind plated. This meter will remain on location temporarily, but inoperative, until permanent status of the measuring arrangement is determined.

This disconnection was due to well being switched into Cities Service 's gathering system to suction of the Burton Flat Plant.

Yours truly,
