Gentlemen:

On March 17, 1983, the above captioned well was placed in the South Parkway-Strawn Pool, from the Wildcat Strawn.

According to our records, a GOR Test (C-116) has not been received in this office since September, 1977. All wells in Wildcat pools are to have a GOR Test every year on the anniversary of their completion.

Please send a GOR Report within the next ten (10) days to avoid cancellation of the allowable on the above captioned well.

Very truly yours,
