Gentlemen:

We hereby acknowledge receipt of the completion report and Form C-104, Request for Allowable, on the subject well. However, according to our records you only have 311.47 acres dedicated to the well. Therefore, it will be necessary for you to make application to our Santa Fe Office for approval of the non-standard unit. Said approval must be secured prior to an allowable assignment.

Further, please furnish this office with one copy of the logs run on this well.

Thank you for your cooperation in this matter.

Sincerely yours,

OIL CONSERVATION COMMISSION

Supervisor, District II
