RE: Burton Flat Well No. 14  
3285' FSL & 665' FWL  
Sec. 2, T-21S, R-27E  
Eddy County, New Mexico

Gentlemen:

The following is a tabulation of the deviation tests conducted while drilling our above captioned well, which has been completed in the Morrow:

| <u>Footage</u> | <u>(Deg.) Deviation from the Vertical</u> |
|----------------|---|
| 596            | 3/4                                       |
| 1053           | 1   |
| 1558           | 1 1/4                                     |
| 2047           | 1   |
| 2523           | 1 1/4                                     |
| 2910           | 1   |
| 3590           | 1   |
| 4528           | 1 1/4                                     |
| 5544           | 1 1/2                                     |
| 6049           | 1   |
| 6493           | 1 1/2                                     |
| 7148           | 1 1/2                                     |
| 7610           | 1 1/4                                     |
| 8120           | 2 1/2                                     |
| 8625           | 2 1/4                                     |
| 8868           | 1   |
| 9226           | 1 1/2                                     |
| 9711           | 1 1/4                                     |
| 9858           | 3/4                                       |
| 10,793         | 3/4                                       |
| 11,422         | 1   |
| 11,610         | 1 1/4                                     |
