Dear Miss Jones:

We are returning the enclosed Form C-105 on the subject well for additional information and clarification.

Please show treatment, check the perforations, there seems to be several overlaps, also the interval 13366-68 does not look right. Further, you show a single completion, but two strings of tubing.

Please clarify the above and return with the drill stem test summary.

If you have any questions concerning this matter, please feel free to call upon me.

Sincerely yours,

W. A. Gressett
